

**INCDTP undersigns the Commission Recommendation on the European  
Charter for Researchers and the Code of Conduct for the Recruitment of  
Researchers**

Bucharest, 24th November, 2006

INCDTP, represented by Dr. eng. Emilia Visileanu, after considering the general principles and requirements from the Commission Recommendation of March 11<sup>th</sup> 2005 on the European Charter for Researchers and the Code of Conduct for the recruitment of researchers, entirely supports this recommendation.

INCDTP will begin with the implementation of the Commissions Recommendations through a number of measures regarding researchers and all scientific employment, guaranteeing transparency, accessibility and equity.

We hope that in this way we will contribute to the materialisation of European Union's initiatives in promoting attractiveness of research careers and contributing to the building of the European Research Area.
